

The Puppy Ladies

So, you want to get a puppy?

There are many things to consider before you get your puppy:

- What breed best fits our family?
- How to introduce a puppy to our other pets
- Rescue vs. breeder
- Questions to ask a breeder or an adoption agency
- How to prepare my home before my puppy arrives
- Socializing my new puppy
- Housetraining/Crate training

Join us for our monthly workshop on the first Sunday at 4 pm.
